Dear antifa/bLM, I am not talking to you, I am talking to your "handlers" and those controlling them. You are not worth talking to. To me you are the same as wet toilet paper, weak, shitty, and useless. In fact, wet toilet paper is more of a risk than you are.

I'm coming right for the head of the snake. You will not send your ignorant pawns into our lives to cause death and destruction then retreat into the shadows,waiting for the next time,when they fail.
You are in my sights and I don't miss.

I am writing a deeply heartfelt letter to President Trump. I am doing something I rarely do, I am asking for help. I will be asking for legal help and possibly a "pardon of Innocence". I will be including details, names and situations I'm confident the President will address.

I will be describing the scope and magnitude of how the "Obama administration" was planned in advance and the people who supported it. I will be providing evidence and details along with the letter . I will be discussing how very powerful interests have infiltrated not only our

Government, Military, educational/university system, but how foreign governments, china in particular, have infiltrated corporations and turned them into criminal enterprises against the United States.

I will discuss how many Democrats and Rhino's received their dirty money for aiding and abetting this. (Sweetheart stock deals)
And I will discuss the abuse the threats and the torture that I endured when I first tried to expose this in 2009. The control/threats against myself

Family and friends that we lived under until 2015-2016 when they again acted on those threats. All in an effort to cover their crimes and steal elections. These are the same people that spied on President Trump, framed General Flynn, and killed my friends and others.

Redacting only personal/doxing information, I intend to publish this letter online and Hope everyone will read it, retweet it, and send it on. Thank you 🙏🙏🙏

Matthew Ball @ballmatthew · Dec 3
2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership

bLM/antifa supporters who can't "fight in the streets" are being encouraged to "fight in place". Supporters who work in government,I.e., Social Security, MVA, insurance, benefits, school, are being encouraged to find people based on race or political affiliation and deny or

block access to services. Existing accounts will suddenly "have problems" waiting on the phone forever only to be disconnected over and over, anything they can do to fight "white privilege". Senior Citizens are already feeling this

Much of what we see, riots, DS actors, MSM, is an OVERT attack on the President and Our Country. Part of the DS/Dems attempt to "take the election". The COVERT coup plans have continued non stop since 2016. The DS has/is trying to compromise former/current military and federal

Law Enforcement. Most troubling, and has been recently confirmed, active, retired, and family members/associates of the US Secret Service have been targeted and illegally surveiled with one purpose in mind, TO GET AS CLOSE TO

Maryland, New Jersey, and other states, are drastically altering their educational model for the upcoming school year and on. They not only want in-person heavily controlled School. They want online "educational packages".

They want their cake and eat it too. They not only want to keep their salaries, their Union, and their perks, now they want to farm out the education itself to third parties. So they can make more money for even less work.

They want to be the managers in the middle decreeing what
